Orientation for the Teacher

Welcome to the joy of teaching preschool. As a teacher you need to commit to setting a high standard. Here are 4 principles to help you achieve that goal.

1. Personal

In order to share Jesus with others, even small children, you must have a personal connection with Jesus Christ. Personal devotional time, focus on prayer and openness to the Sprit's leading are all crucial to being a master teacher.

2. Excellence

Take your teaching responsibility as a God given challenge. Do your best in all of your endeavors. Be reliable and prepared. God has given you these children for a very short period of time, so use it well. Always be on time. "If the teacher is properly prepared, every moment can be used to profit. The active minds of the children should be kept constantly employed." Counsels on Sabbath School Workp. 117

3. Nurturing

The best prepared teacher will not have success with young children if she does not show a loving spirit. Get to know the children in your class and form a warm bond with them. They will see God's love shining through you.

4. Parent Interaction

Do not be discouraged if all your parents do not take the time to work with their children at first. Our goal is to make the parents the first teachers, because that is in the best interest of the child. Be diplomatic in explaining the importance of their role in the program. If they repeatedly come unprepared, try calling them 3-4 days before the next meeting to remind them.

We have tried to make your job as stress free as possible. All the lesson plans you will need are found in this manual. A list of the supplies you will need is on the following page. Make sure you read everything and prepared thoroughly. If you find any mistakes or have suggestions for improvement, please e-mail me at Lyndene@wrightpublications.org. May God bless you as you dedicate your time to teaching of these precious children.

[&]quot;It would be better for him if a millstone were hung about his neck, and he were thrown into the sea, than that he should offend one of these little ones." Luke 17:2
