

## Builders

## Build and Fly

1. Make paper airplanes and fly them.
2. Make a simple glider and fly it.
3. Make a simple kite, fly it, and explain the safety rules.
4. Observe four different animals that fly and tell how they fly.
5. Draw a picture of your favorite flying animal.
6. Know where the Bible speaks of an angel flying.
7. Know who were the first successful, motorized, airplane pilots.
8. Work a crossword puzzle about types of flying.
