

Builders

Homecraft

1.Design and build a sculpture, using toothpicks.

2.Do or make two of the following:

- a. A crocheted piece
- b. A cross stitched piece
- c. A knitted piece
- d. An embroidered piece
- e. Thread a needle and sew on buttons

3.Cover a bottle to be used as a vase.

4.Design and make a “refrigerator” magnet.

5.Make a picture from household items or foods.

6.Make two items from things that would normally be thrown away.

7.Start a collection of “throwaway home items” that may be reused for craft projects.
