Sewing Fun

1. Tell what the first sewing needles were made of.
2. Tell what was first used as thread.
3. State when sewing machines first came into existence.
4. Demonstrate how to thread a needle.
5. Knot the end of some thread and sew on a button.
6. Make a bean bag.
7. Make a useful article using at least two different stitches.
8. Read the story in Acts 9:36_41 and plan a way to do something similar.
