

I Can Make Wise Decisions

A. Learn the steps of good decision-making.

The Steps of Good Decision Making

Talk over each of the following with Jesus.

1. What is the problem?
2. What are several possible solutions? And what might be the consequences of each solution for myself and for other people?
3. Choose the best solution and act on it.
4. Review. How did it work?
What will you do different next time?
