

Little Butterfly Friend

By Sesame Street's "Elmo"

Let's flap our wings and fly together,
little butterfly friend.
Flatter thru the sky together,
Little butterfly friend.

We can fly from here to there.
We can stop and smell a rose.
We can flatter up or down.
You can land on _____ (Name of child) nose.

Let's flap our wings and go together,
Little butterfly friend.
Flying high and low together,
Little butterfly friend.

As free as the breeze on a sunny day,
We are butter-flying all the way.
Let's flap our wings and fly, yeah.
Little butterfly friend.
Little butterfly friend.
