THANK-YOU CARD

Materials:

Construction paper

Tissue paper – pastel shades

Felt-tip pen

Crayons

Patterns – flowers

Silk flowers heads

Directions:

Fold a sheet of construction paper in half. Scallop one edge 2" down from the top. Print the word Mother (or whatever name your child uses) immediately below the scalloped edge. On the inside of the card print "Thank you, Mother, for all you do for me," on the bottom half of the paper. Add the Bible words if you want. Cut the flowers out of various colors of tissue paper or silk flower heads. Glue as many flowers as you desire to the upper half of the inside of the card. With a crayon, draw stems and decorate the rest of the card.

Instructor:

Talk to the child about all the nice things mothers do for us. Let your child name some of those things. Say, "I'm glad God gave us mothers who love us and do such nice things for us!"

This craft can be used for Mothers Day or adapted for a thank you card for a friend or teacher. It could also be adapted for a get-well card for a shut-in or as a Father's Day card by using a pattern for tools.
