For 1 & 2 year olds

The Baby Birds level of the Discovery program is a brand new concept originated by the Rolling Hills Seventh-day Adventist Church Children's Ministry. It uses the church's Pre-Adventurer curriculum as a model to develop a program for the younger children. A sample of the activities in the following topics include:

My God

Bible stories from Jesus, songs and prayer

My Family

Obedience, Helpfulness, Sharing, Thankfulness and Love through songs and actions

My World

Colors, Nature and Geography

My Self

Learning the five senses and spatial concepts

Lessons are taught through familiar Sabbath School songs and activities. Time is included for crafts and games.

The Baby Birds meet in a self contained environment in the Cradleroll room. Parent participation is required.

Children will advance to the Discovery program at the next enrollment after their 3rd birthday.

Children who are under 1 may attend as unofficial members. No fee is required.
