

1. What is a seed?									
2. Save three (3) seeds from something you have eaten.									
3. How do you clean these seeds?									
4. Collect at least ten (10) seeds.									
5. Arrange these neatly in a box, in small bottles, or glue on a poster board etc...									
6. Have someone help you find in the Bible a text about seeds. Be able to repeat part or all of the verse.									
7. Sprout a seed and watch it grow.									
8. Tell about your seed to a friend, shut-in, etc...									

Notes:
